

Transcript of Tim Macartney-Snape, biologist, world-renowned mountaineer and twice-honoured Order of Australia recipient, talking about the book ***FREEDOM: The End Of The Human Condition***

(To view Tim's video see the 'Commendations' section on our
WTM Home page at www.humancondition.com/#commendations*)

“ This book is astonishing, its paradigm shifting.

All the problems on this planet, bar natural phenomena, are caused by human beings. They are caused by the 'human condition'. Solving it has the power to end all of the suffering because it deals with the fundamental insecurity that drives all of human psychosis. It has to be *the* most important book ever written. ”
